At Flow Research, we see flow from many points of view.

When we investigate a market, we talk to suppliers, end-users, distributors, engineering companies, and OEMs. We gather data from multiple sources and perspectives, and integrate this data into a complete picture of the total market.

Flow Research publishes market studies, and also has a quarterly report service called the **Worldflow Monitoring Service**. It includes:

- *Market Barometer* follows the flowmeter industry
- *Energy Monitor* covers oil & gas, refining, power, & renewables
- *Flash Reports* keep you posted on breaking news
- *White Papers* provide in-depth knowledge
- *Living Database* provides 24/7 online access to market data

Flow Research maintains the following Knowledge Websites:
